

# Donate

The heart of the Church Prayer Leaders Network is to help churches make prayer more foundational to their ministries. We do this by encouraging and equipping pastors, prayer leaders and church leadership teams in their role of growing prayer. A praying church will be a Kingdom-expanding church! And that is what we are about.

While we raise some money through the sale of memberships and subscriptions to our magazine, *Prayer Connect*, we are a non-profit ministry that depends on the donations of individuals.

Your tax deductible donation to the CPLN or *Prayer Connect* will directly help a church grow in prayer!

You can direct your gift either to CPLN or to Prayer Connect, our quarterly magazine.

Thank you so much for considering a gift to the Church Prayer Leaders Network.
