

Ordering Information

On August 19, we will start taking pre-orders on *City of Prayer*. The book is now at press, and we should start shipping orders to purchasers on September 16, very possibly sooner.

In my 31 years of publishing, *City of Prayer*, is among the top 5 products I have ever been involved with as far as having the potential to do significant Kingdom ministry. It can inspire pastors and churches to come together for prayer and to allow themselves to be used of God to change their community!

Because of this, not only will you want to purchase a copy for yourself, but you may want to consider whom you need to put a copy in the hands of! Your pastor(s)? Some or all of the pastors in your community? Your prayer group? All the pastors in your denomination or denomination's district?

To get you thinking this week, here are the prices we will offer at prayershop.org on single and multiple copies.

Note that if you are a Church Prayer Leaders Network member, all multiple prices are .50 per copy cheaper for you. Not a member: [Join Here](#)

You will be able to purchase *City of Prayer* through the normal places you like to purchase your Christian books (Amazon, christianbooks.com, etc), however, they will not have the quantity discounts our store offers, nor can you pre-order anywhere but at prayershop.org.

On August 19, you will be able to place an order with us. The link will be here that morning, plus an email will be sent to those who have requested to receive *City of Prayer* Information.

E-BOOK

An e-book version of *City of Prayer* will be available at your normal e-book purchase location, but probably not until late September.
