

The Power of Praying Scripture – Ep 3

We all learn different methods to help us pray. And as believers we need to keep learning new methods to enhance our prayer lives. But in all my years of discipling people to pray, one method stands out as the most powerful one to use: praying Scripture. This episode of “Pray Beyond” will teach people the importance of praying God’s Word back to him, and will show them in a simple way how to do it.
